a Gift From
Greg and Phyllis Smith

Greetings to All!

Phyllis and I hope each of you had a very Merry Christmas and a wonderful holiday season! This year has been one of the greatest for us as we have traveled to Europe again and spent several months touring the United States and Canada with many of our old friends and many new ones on American Photo Tours as well. As a way of thanking all of you for making our lives so much richer in friendships and adventures, we wanted to offer you this modest collection of images from our travels with you this year, and even a few from our own trips to places near, and as far away as Africa. It is our sincere hope that you will enjoy them as much as we enjoyed traveling with you on tours, or vicariously through our emails and cards.

Next year we hope to again journey forth with many of our well acquainted friends and new folks as well into the world of landscapes and wildlife and new destinations. Let us know what you think of this collection, and where in the world you would like to go in the future. Our destinations are only limited by your imagination. Have a wonderful and prosperous New Year in 2016!

All the Very Best,
Greg and Phyllis
